**MISSOURI DIVISION OF ENERGY'S
APPLICATION TO INTERVENE**

COMES NOW the Missouri Department of Economic Development – Division of Energy (“DE”) and, pursuant to Commission Rule 4 CSR 240-2.075, and to facilitate access to confidential filings in EFIS, respectfully requests that the Commission issue its order granting DE’s Application to Intervene. For its Application, DE states as follows:

1. On April 15, 2019, Kansas City Power and Light Company filed its *2018 Renewable Energy Standard Compliance Report* and its *2019 Annual Renewable Energy Standard Compliance Plan* as required by 4 CSR 240-20.100(8).

2. DE is a state agency vested with the powers and duties set forth in § 620.035 RSMo. In addition, § 393.1030.4 RSMo tasks DE with certifying renewable energy resources for purposes of compliance with Missouri’s Renewable Energy Standard.

3. DE has an interest different than that of the general public, and its intervention will serve a public interest in that DE will review the Compliance Report and Plan from a policy and planning perspective.

4. DE has not determined at this time any specific position it may take in this case.

5. Communications, correspondence, orders and decisions in this matter should be addressed to the undersigned.

WHEREFORE, the Missouri Division of Energy respectfully requests that it be allowed to intervene in the above-styled matter.

Respectfully submitted,

/s/ Rochelle L. Reeves
