

**BEFORE THE PUBLIC SERVICE COMMISSION
OF THE STATE OF MISSOURI**

In the Matter of the Application of Grain)	
Belt Express Clean Line LLC for a Certificate)	
of Convenience and Necessity Authorizing it)	
to Construct, Own, Operate, Control, Manage)	EA-2016-0358
and Maintain a High Voltage, Direct Current)	
Transmission Line and an Associated)	
Converter Station Providing an Interconnection)	
on the Maywood-Montgomery 345kV)	
transmission line.)	

**APPLICATION TO INTERVENE BY THE
MISSOURI JOINT MUNICIPAL ELECTRIC UTILITY COMMISSION**

COMES NOW, the Missouri Joint Municipal Electric Utility Commission (MJMEUC), by and through their attorney, Douglas L. Healy, of Healy Law Offices, LLC, pursuant to Missouri Public Service Commission (“Commission”) rule 4 CSR 240-2.075, and files its Application to Intervene in the referenced case. In support thereof, MJMEUC states as follows:

1. On August 30, 2016, the Grain Belt Express Clean Line, LLC (Clean Line) filed an application asking the Commission to grant a Certificate of Convenience and Necessity (CCN) to construct a high voltage direct current (HVDC) transmission line through Missouri.
2. On August 31, 2016, the Commission issued its Order Directing Notice and Setting Intervention Date, which set an intervention deadline of September 14, 2016.
3. The MJMEUC is a body corporate and politic of the State of Missouri, organized as a joint municipal utility commission pursuant to section 393.700 et seq. RSMo., with authority to exercise the public powers of a political subdivision of the state for the benefit of the inhabitants of municipalities jointly contracting to establish the

MJMEUC. Sixty seven Missouri municipalities are current parties to the joint contract establishing the MJMEUC.

4. The MJMEUC has an interest that is different from that of the general public, in that it represents the interest of municipal electrical systems throughout the state, as well having entered into a transmission service agreement to utilize the proposed HVDC transmission line to deliver power to MJMEUC members. Such interest is not currently represented in the proceedings.
5. The MJMEUC supports the CCN application of Clean Line and requests the Commission approve such application.
6. Granting intervention to the MJMEUC would serve the public interest by allowing the MJMEUC's potential benefit, experience and insight to be part of the CCN application.

WHEREFORE, the MJMEUC prays that this Commission issue an order granting its application to intervene in this proceeding and for such other orders and relief as may be appropriate in the circumstances.

Respectfully Submitted,

By: /s/ Douglas L. Healy
