NOTICE

Comes now, Terry M. Jarrett, Commissioner for the Missouri Public Service Commission, and for this Notice in the above captioned matter states the following;

(1) On September 3, 2009, I made a presentation to the Missouri Energy Development Association ("MEDA")¹ in St. Louis, Missouri. My presentation titled "Regulation in an Uncertain World" related to matters of general regulatory policy and did not address the merits or the specific facts, evidence, claims, or positions presented or taken in a pending case. Additionally, my presentation did not address any issue which is the subject of a case that has been filed with the commission, and the presentation also did not address substantive or procedural matters that are the subject of a pending filing or case.

(2) To my knowledge, MEDA is not now a party to the above captioned case.

(3) 4 CSR 240-4.020(8) addresses *ex parte* communications, and the steps which are necessary when a Commissioner *receives* a communication. Here, I *gave* a speech.

(4) The Missouri Legislature has provided that Commissioners shall not have any imposition or limitation on the free exchange of ideas, views, and information provided that they

¹ MEDA's members include; AmerenUE, Atmost Energy, Empire District Electric Company, Kansas City Power & Light, The Laclede Group, Inc., Missouri American Water Company, Missouri Gas Energy, and affiliate members LS Power Associates, LP Southern Star Central Gas Pipeline, Inc.

relate to matters of general regulatory policy and do not address the merits of specific facts, evidence, claims or positions taken in a pending case. Section 386.020.4 RSMo (Supp. 2008).²

(5) In the spirit of transparency, I am filing this notice and contemporaneously I am also making available on the Commission's website, a complete copy of my presentation. Additionally, on August 21, 2009 this same presentation was presented to the Missouri Industrial Energy Consumers ("MIEC"), and subsequently made available on the Commission's website for public review, where it has and continues to be available to the general public, including interested persons and parties to this case. Further, as was done at the MIEC presentation, I took no questions from the audience, my presentation was transcribed by a court reporter and the transcript was made publicly available through the Commission's website. A transcript of my presentation to MEDA will be posted to the Commission's website when it becomes available.

Terry M. Jarrett, Commissioner

Dated in Jefferson City, Missouri,
on this 3rd day of September, 2009

² Commissioner Kevin Gunn gave a presentation to MEDA on September 23, 2008 during the pendency of Case Nos. ER-2009-0089, ER-2009-0090, HR-2009-0092. ER-2009-0089 was filed on September 5, 2008 and the Commission issued an Order Approving Non-Unanimous Stipulations and Agreements and Authorizing Tariff Filing on June 10, 2009; ER-2009-0090 was filed September 5, 2008 and the Commission issued an Order Approving Non-Unanimous Stipulations and Agreements and Authorizing Tariff Filing on June 10, 2009; HR-2009-0092 was filed on September 5, 2008 and the Commission issued an Order Approving Unanimous Stipulation and Agreement and Authorizing Tariff Filing on June 10, 2009. Commissioner Gunn's presentation is available at <http://www.missourienergy.org/> I believe Commissioner Gunn's actions here were lawful and appropriate under Missouri law and the Commission's rules.
