

**STATE OF MISSOURI
PUBLIC SERVICE COMMISSION**

At a session of the Public Service
Commission held at the
University of Missouri in
Kansas City, Missouri on the 9th
day of September, 2009.

In the Matter of Union Electric Company, d/b/a)	<u>File No. ER-2010-0044</u>
AmerenUE's Application to Modify FAC Rate)	Tariff No. YE-2010-0065

**ORDER APPROVING TARIFF TO ADJUST RATE SCHEDULES
FOR FUEL ADJUSTMENT CLAUSE**

Issue Date: September 9, 2009

Effective Date: September 24, 2009

On July 31,¹ Union Electric Company, d/b/a AmerenUE, submitted an application and tariff designed to implement an adjustment to its Fuel and Purchased Power Adjustment Clause ("FAC"). On August 25, after participating in discussions with the Commission's Staff, AmerenUE filed a substitute tariff to implement minor corrections. The submitted tariff, as substituted and corrected, bears an effective date of September 24.

The Commission's rule regarding FACs requires the Commission to issue an order approving or rejecting the company's tariff within 60 days of its filing.² The rule further requires the Commission's Staff to submit a recommendation within 30 days indicating whether the proposed FAC tariff complies with Section 386.266, 4 CSR 240-20.090, and the company's FAC mechanism.³

¹ All dates throughout this order refer to the year 2009 unless otherwise noted.

² 4 CSR 240-20.090(4).

³ *Id.*

On August 27, Staff filed its recommendation indicating AmerenUE's tariff complies with the Commission's order that established the company's FAC and with all applicable statutes and regulations. Staff advises the Commission to approve AmerenUE's tariff as an interim rate adjustment, subject to true-up and prudence reviews. No other party has opposed Staff's recommendation, objected to the tariff, or requested a hearing.

The Commission has reviewed AmerenUE's tariff filings, and Staff's verified recommendation, and considering all relevant factors finds that the tariff sheet is in compliance with the Commission's order establishing the FAC and with all applicable statutes and regulations. Consequently, 4 CSR 240-20.090(4) requires the Commission to approve AmerenUE's tariff or allow it to go into effect by operation of law.

THE COMMISSION ORDERS THAT:

1. The tariff issued on July 31, 2009, by Union Electric Company, d/b/a AmerenUE, and assigned Tariff No. YE-2010-0065, is approved, as substituted and corrected, to be effective September 24, 2009, as an interim rate adjustment, subject to true-up and prudence reviews. The tariff approved is:

MO. P.S.C. SCHEDULE No. 5
