## NOTICE REGARDING BRIEFS

Issue Date: October 29, 2019

An evidentiary hearing was held in this case on October 17, 2019, and initial briefs are due on November 1. On October 28, the Midwest Energy Consumers Group withdrew its objection to the non-unanimous stipulation and agreement filed on September 19, 2019, which purported to resolve all issues before the Commission. That stipulation and agreement is now unopposed. Nevertheless, the Commission reminds the parties of the continuing need to file their briefs on the question of whether the Commission has authority to accept the stipulation and agreement, and whether it has authority to grant the relief requested in the stipulation and agreement.
