## ORDER DIRECTING RESPONSES

Issue Date: June 23, 2021

Effective Date: June 23, 2021

On April 15, 2021,<sup>1</sup> Evergy Metro, Inc. filed its 2020 Renewable Energy Standard Compliance Report (Compliance Report).

On June 1, the Office of the Public Counsel (OPC) filed a motion requesting the Commission order more detailed information from Evergy Metro regarding certain items. However, the OPC's motion concluded that a data request seeking this information was due June 2. The OPC stated it may supplement its response dependent on the data request response.

On June 22, the Staff of the Missouri Public Service Commission (Staff) filed its report and memorandum regarding the Compliance Report.

The Commission is uncertain whether the OPC's June 1 motion still stands or if the OPC received the information it sought, and will direct the OPC to respond with a status report. The Commission will also direct Evergy Metro to respond to Staff's report and memorandum.
