File No. EA-2012-0281

NOTICE REGARDING REMOVAL OF DATA REQUEST FROM THE DOCKET SHEET

Issue Date: October 11, 2013

On October 7, 2013, the Commission granted Labadie Environmental Organization (LEO) and Sierra Club authorization to submit a data request to Ameren Missouri. LEO and Sierra Club submitted that data request on October 9, but also filed it as a pleading in EFIS for this case. Data requests between parties do not need to be filed as pleadings and therefore the Commission has removed the data request from the docket sheet. This action does not affect the validity of the data request, nor does it change Ameren Missouri's obligation to respond to the data request in the usual manner.

BY THE COMMISSION
