ORDER ADMITTING EXHIBIT NUMBER 240 INTO EVIDENCE

Issue Date: April 20, 2010

Effective Date: April 20, 2010

On March 26, 2010, at the end of the evidentiary hearing, the Commission's Staff offered an exhibit containing updated cost numbers for vegetation management and infrastructure inspections. The Commission assigned the exhibit number 240, and deferred ruling on its admission until the parties had an opportunity to review it. The Commission allowed the parties one week to file written objections to the admission of the exhibit.

More than one week has passed and no party has raised any objection to the admission of the exhibit. The Commission will admit the exhibit into evidence.

THE COMMISSION ORDERS THAT:

1. Staff's Exhibit 240 is admitted into evidence.

2. This order shall become effective immediately upon issuance.
