NOTICE OF CORRECTION

Date Issued: August 19, 2010

On August 18, 2010, the Commission issued an Order Approving Stipulation and Agreement and Cancelling Hearing. In the order, the Commission notes in the last sentence of the first paragraph that “[t]he parties agreed that if Plum Point is operational by August 15, then the increase in Empire’s revenue would be \$36,800,000.” This sentence is incomplete. Rather, under the Agreement, Empire’s revenue would be \$36,800,000 *plus the level of amortizations specified in the agreement.*¹ This serves as notice that the italicized language should be added.
