Case No. ER-2010-0355
Tariff No. JE-2010-0692

**STAFF’S RESPONSE TO THE TEST YEAR AND TRUE-UP
PROPOSALS OF KANSAS CITY POWER & LIGHT COMPANY**

COMES NOW the Staff of the Missouri Public Service Commission and for its response to the Commission’s June 11, 2010, Order and to the test year ended December 31, 2009, with update based upon June 30, 2010 financial data, and an unstated true-up date used by Kansas City Power & Light Company states that the appropriateness of a test year, update cut-off date and true-up cut-off date is interdependent with the procedural schedule in the case. The procedural schedule in this case will be a topic of the early prehearing conference scheduled for July 6, 2010. The Commission has ordered that schedule to be filed by July 20, 2010. Therefore, Staff’s response at this time is that it is premature to respond to the test year, update cut-off date and true-up cut-off date used by Kansas City Power & Light Company; however, after discussions with other parties during the early prehearing conference scheduled for July 6, 2010, Staff will provide a proposed test year, update cut-off date and true-up cut-off date when it proposes a procedural schedule.

Respectfully submitted,

/s/ Nathan Williams
