Ralls County Electric Cooperative

Project Description

RCEC was awarded a \$9,548,908 grant and \$9,548,909 loan from the RUS in round one. Funding for the project will provide a fiber optic network to residential and commercial members and the underserved safety and anchor agencies in the service area.

We partnered with the State of Missouri and Governor Jay Nixon. They provided \$950,000 in funding and application reviews.

This is a State of Missouri demonstration project and non-proprietary data will be shared.
