Thank you for the information. Gary Mallory has asked that I pass on to you that the Justice Center is available. I know that you may be concerned about use of the Justice Center, given the difficulty with access at the last round of hearings. However, I have been advised that the Sheriff told his staff to lock all but the revolving door after the second session started, and that this communication was misunderstood. In other words--it won't happen again. Thus, if you wish, the Justice Center is available. You can be assured that the Sheriff's Department is aware of the critical importance of access to the hearings, and that there will not be a repeat of the "security" issue. Let me know if there is anything more the County can do to assist. Cindy Reams Martin.

Here is the press release concerning the incident at Monday's hearing, and the Commission's intention to hold another hearing. As of now, we hope to get confirmation tomorrow that we can use Harrisonville High School the evening of March 30.

Thank you.
