

OF THE STATE OF MISSOURI

Case No. EA-2006-0309

PUBLIC HEARING

Issue Date: June 30, 2006

The Commission notes that the official file for this case does not include exhibits 1 and 2 that were marked for identification at the local public hearing held on March 30, 2006. A review of the transcript of that hearing reveals that exhibits 1 and 2 were large aerial photographs that were used for illustrative purposes.¹ They were neither offered nor admitted into evidence and the Commission did not retain a copy of either exhibit.
