**ORDER OPENING A CASE AND DIRECTING FILINGS**

Issue Date: August 28, 2018

Effective Date: August 28, 2018

On August 16, 2018, the Commission's Staff filed a motion asking the Commission to open this case to address the compliance of KCP&L Greater Missouri Operations Company (GMO) with certain requirements of Senate Bill 564, which was passed during the last legislative session, and which has been codified at section 393.1400, RSMo. Subsection 393.1400.5, RSMo, allows GMO to file notice of its election to defer certain depreciation expenses and return associated with certain plant-in-service to a regulatory asset for future recovery. Staff's motion asks that if GMO chooses to file such notice, it be directed to do so in this case. Further, if GMO chooses to make that election, it must file a five-year capital investment plan as required by subsection 393.1400.4. Staff asks that GMO be directed to file such plans and associated reports in this case. The Commission will order GMO to comply with Staff's requests.

**THE COMMISSION ORDERS THAT:**

1. KCP&L Greater Missouri Operations Company is made a party to this case.

2. If KCP&L Greater Missouri Operations Company chooses to file notice of its election to defer certain depreciation expenses and return associated with certain plant-in-service to a regulatory asset for future recovery as permitted by subsection 393.1400.5, RSMo, it shall file that notice in this case.

3. If KCP&L Greater Missouri Operations Company chooses to make that election and consequently must file a five-year capital investment plan as required by subsection 393.1400.4, RSMo, it shall file such plans and associated reports in this case.

4. This order shall be effective when issued.
