MOTION TO CANCEL REGISTRATION

COMES NOW the Staff of the Missouri Public Service Commission and for its Motion states:

1. On October 2, 2008, MegaPath Corporation, formerly Covad Communications, was registered as an IVoIP provider in File No. DA-2009-0074.

2. On January 23, 2013, the company filed a Notice of Discontinuance in this matter, notifying the Commission that the company no longer provided service in Missouri (after December 31, 2013) and no longer wished to be registered as an IVoIP provider in Missouri.

3. The matter was overlooked until recently when the company inquired about its status. Staff Counsel apologizes to both the company and the Commission for the oversight. Having received this information from the company, the Staff believes it is in the public interest to cancel Panasonic's registration and to remove the company from the Commissions list of registered IVoIP providers as of January 23, 2013.

WHEREFORE, the Staff requests that the Commission cancel the IVoIP registration of Panasonic Corporation of North America as of January 23, 2013.

Respectfully submitted,

Colleen M. Dale
