| TelAgility, Corp. |) | _____ |

MOTION TO CANCEL REGISTRATION

COMES NOW the Staff of the Missouri Public Service Commission (Staff) and moves for the Missouri Public Service Commission (Commission) to cancel the registration to provide interconnected voice over internet protocol (VoIP) services of TelAgility Corporation (Company) and states:

1. The Commission previously granted a registration to the Company to provide interconnected voice over internet protocol service authority in Case No. DA-2016-0097 on November 19, 2015.

2. The Company failed to submit an annual report to the Missouri Commission for calendar years 2018, 2020 and 2021. The requirement of an VoIP company to file an annual report is identified in Section 392.550.3(7), RSMo and 20 CSR 4240-28.012(1)(A). The Company has not responded to Staff's contacts to resolve the deficiency.

3. The Company failed to file its Statement of Revenue report for calendar years 2020 and 2021 and pay the Missouri Commission annual assessment for fiscal years 2019 and 2023.¹ The requirement to file a Statement of Revenue report is identified in 20 CSR 4240-28.012(1)(B). The requirement to pay the Missouri Commission assessment is identified in Section 386.370, RSMo and 20 CSR 4240-

¹ A company's assessment amount is determined by a factor identified on the commission's website and applied to a company's Missouri jurisdictional revenue identified on its Statement of Revenue report. If a company fails to file a Statement of Revenue report then the company's assessment is calculated using a Commission approved formula.

28.012(2)(A). The Company has not responded to Staff's contacts to resolve these deficiencies.

4. The Commission has the authority to cancel a telecommunications certificate, or in the present case, registration, pursuant to Section 392.410.5 RSMo 2000, which provides "[a]ny certificate of service authority may be altered or modified by the commission after notice and hearing, upon its own motion or upon application of the person or company affected."

5. The Commission need not hold a hearing, if, after proper notice and opportunity to intervene, no party requests such a hearing. *State ex rel. Rex Deffenderfer Enterprises, Inc. v. Public Service Commission*, 776 S.W.2d 494 (Mo. App. W.D. 1989).

WHEREFORE, Staff respectfully recommends the Commission cancel the registration of service authority to provide interconnected voice over internet protocol service of TelAgility Corporation and grant such other and further relief as is just in the circumstances.

Respectfully submitted,

/s/ Whitney Scurlock
