DOGWOOD ENERGY, LLC'S APPLICATION TO INTERVENE OUT OF TIME

COMES NOW DOGWOOD ENERGY, LLC ("Dogwood") and respectfully submits its Application to Intervene in this proceeding pursuant to 4 CSR 240-2.075. In support of its Application, Dogwood states as follows:

On February 5, 2007, Aquila, Inc. d/b/a Aquila Networks-MPS and Aquila Networks L&P("Aquila") filed it's Utility Resource Filing as required by 4 CSR 240-22. By Order issued February 7, 2007 the Commission established February 27, 2007 as the deadline for filing applications to intervene.

Dogwood owns a 600 MW combined cycle generating facility located within Aquila's MPS service territory and is a potential provider of capacity and energy to Aquila. Dogwood desires to participate in this proceeding to ensure that the Commission will have available as many relevant facts as possible while addressing and determining the issues presented. At this time Dogwood takes no position on Aquila's proposed IRP. Dogwood's interests cannot be represented adequately by any other party.

Granting Dogwood's Application to Intervene will also be in the public interest because Dogwood will bring to this proceeding its expertise in the areas being investigated and its experience as a wholesale electric power provider. Dogwood's rights may be adversely affected by the decisions reached in this case.

All correspondence, pleadings, orders, decisions and communications regarding this proceeding should be sent to:
