NOTICE OF DEFICIENCY

Issue Date: November 12, 2021

On November 10, 2021, The Empire District Electric Company d/b/a Liberty (Liberty) and White River Valley Electric Cooperative (White River) filed a Joint Application for approval of the Second Amendment to their Sixth Territorial Agreement, dated October 14, 2008 and approved by the Commission by order dated June 10, 2009 in Case No. EO-2009-0284. Commission Rule 20 CSR 4240-4.017 requires that an applicant file a notice at least 60 days before filing their application. That requirement can be waived by the Commission for good cause. Commission Rule 20 CSR 4240-4.017(D) provides that good cause for a waiver of the 60-day notice requirement may include “a verified declaration from the filing party that is has had no communication with the office of the commission within the prior one hundred fifty (150) days regarding any substantive issue likely to be in the case or that circumstances prevented filing the required notice and delaying the filing for sixty (60) days would cause harm.

The Commission will not take action on Liberty's and White River's joint motion for approval of amendment to their Territorial Agreement until this deficiency is corrected.
