On April 13, 2012<sup>1</sup>, Nickie Hertzog filed an application with the Missouri Public Service Commission requesting that her electric supplier be changed from Osage Valley Electric Cooperative ("Osage Valley") to Kansas City Power & Light ("KCP&L"). The Commission made Osage Valley a party, and required Osage Valley to respond no later than May 16. The Commission ordered its Staff to respond no later than August 7.

On August 7, the Staff of the Commission asked for an extension of time to file its report. Staff explains that the Commission has a similar case before it which will impact its Recommendation, and asks that the Commission allow it until August 27 to respond.

The Commission finds Staff's request reasonable, and will grant it.

**THE COMMISSION ORDERS THAT:**

1. The Motion for Extension of Time filed by the Staff of the Commission is granted.
