Issue Date: June 2, 2015

Effective Date: June 2, 2015

On April 29, 2015, the Commission issued a report and order regarding Union Electric Company d/b/a Ameren Missouri's tariffs to increase its rates for electric service. That report and order became effective on May 12. The Midwest Energy Consumers Group (MECG), the Missouri Energy Development Association (MEDA), United for Missouri, Inc., and Ameren Missouri filed timely applications for rehearing. Ameren Missouri also asked the Commission to reconsider the return on equity established in the report and order.

Section 386.500.1, RSMo (2000), indicates the Commission shall grant an application for rehearing if "in its judgment sufficient reason therefor be made to appear." In the judgment of the Commission, MECG, MEDA, United for Missouri, and Ameren Missouri have not shown sufficient reason to rehear the report and order. The Commission will deny their applications for rehearing as well as Ameren Missouri's request for reconsideration.
