Case No. EO-2015-0055

**NOTICE OF TWO DAY EXTENSION OF THE EM&V TIMELINE PROJECTED DATE
FOR FILING FINAL AUDITOR REPORT FOR PROGRAM YEAR 2017**

COMES NOW the Staff of the Missouri Public Service Commission, by and through counsel and for its Notice states that the Commission’s Auditor, Mr. Steve Grover of Evergreen Economics, requires a two-day extension, from July 23rd to July 25th, to file his final auditor’s report regarding Program Year 2017. Further, Staff states:

1. Appendix C “EM&V Plan and Timeline” of the Non-Unanimous Stipulation and Agreement approved by the Commission on February 10, 2016 sets forth projected dates in an annual EM&V timeline for certain events to occur. The projected date for filing the Auditor’s final report for program year 2017 is July 23rd. This would allow a grace period of 21 days to August 13th for parties to file with the Commission an EM&V impact change request.

2. However, Cadmus and ADM submitted to the parties their final draft EM&V reports on July 13th (according to the EM&V timeline) but without the necessary workpapers which were received 3 days later on July 16th.

3. As a result of the late submission of the workpapers, Mr. Grover needs two additional days, to July 25th, to prepare and file his final auditor’s report.

4. The two day extension does not change the August 13th deadline for filing a change request.

WHEREFORE, the Staff submits this Notice for all parties who may contemplate filing an EM&V impact change request for Program Year 2017.

Respectfully submitted,

/s/ Robert S. Berlin
