NOTICE OF ADDITIONAL PARTICIPATION

COMES NOW the Midwest Energy Users' Association, and for its Notice of Additional Participation, states as follows:

1. On July 1, 2010, the Midwest Energy Users' Association ("MEUA") filed its Application to Intervene in the above captioned proceeding. In its Application, MEUA denominated several large industrial and commercial customers that formed its association for purposes of this case. MEUA also notified the Commission that it anticipated adding further entities to its association in this case and committed to inform the Commission upon the inclusion of those additional entities.

2. On July 13, 2010, the Commission issued its Order granting intervention to MEUA.

3. Since the time of its intervention and consistent with its previous commitment, MEUA has added several additional entities to its association. These entities, all large industrial and commercial customers of KCP&L, share similar concerns in this case that KCPL's proposed tariffs will lead to unjust and unreasonable rates. These additional entities are Archer Daniels Midland Company; Best Buy, Inc.; General Mills; Boulevard Brewing Co.; DST Realty, Inc.; and Broadway Square Partners, LLP.

Respectfully submitted,
