OF THE STATE OF MISSOURI**

In the Matter of KCP&L Greater Missouri)
Operations Company's Submission of its 2014)
Renewable Energy Standard Compliance Report)

File No. EO-2015-0264

ORDER GRANTING APPLICATIONS TO INTERVENE

Issue Date: May 13, 2015

Effective Date: May 13, 2015

On April 22, 2015, KCP&L Greater Missouri Operations Company filed the above-referenced report. The Commission received timely intervention requests from: Earth Island Institute, d/b/a Renew Missouri; Missouri Industrial Energy Consumers; Brightergy, LLC; and the Missouri Division of Energy. Commission Rule 4 CSR 240-2.080(13) allows parties ten days to respond to pleadings unless the Commission orders otherwise. The Commission issued no order to the contrary, ten days have elapsed since the applications to intervene were filed, and the Commission received no responses to those applications. Consequently, the Commission will take them up unopposed.

Commission Rule 4 CSR 240-2.075(4) allows the Commission to grant intervention to a person who has an interest different from that of the general public and which may be adversely affected by a final order arising from the case, or if granting intervention would serve the public interest. Upon review of the unopposed applications, the Commission finds that the applicants meet the standard in Commission Rule 4 CSR 240-2.075(4). Therefore, the Commission will grant the applications to intervene.

THE COMMISSION ORDERS THAT:

1. The above-referenced applications to intervene are granted.

2. This order shall be effective when issued.
