2. On May 20, 2020, the Company notified the Commission that it no longer wished to retain its registration to provide iVoIP services in Missouri.
3. Pursuant to 20 CSR 4240-28.011(3) notice shall be provided to the Commission to cancel certification(s) or registration(s) previously granted by the Commission. Notice should comply with the following requirements: (A) The company should submit written notice to the commission, as in a letter, containing the following information: (1) a statement requesting cancellation of a company's certification or registration and citing the specific certificates of service authority and/or registrations; (2) If the company also has a currently effective tariff, then the letter should also request cancellation of the tariff; (B) The letter can be signed by a company official and does not need to be signed or filed by an attorney; and (C) The letter should be electronically filed in EFIS.

4. The company properly submitted a letter to the Commission, filed in the Commission's Electronic Filing and Information System (EFIS), bearing a request for cancellation of its authority to provide IVoIP services in Missouri and signed by a designee of the company in accordance with the Commission Rule. The Company does not have a currently effective tariff. The Company has been merged into Wisper ISP, Inc., so there will be no impact to customers or financial impact should the Commission cancel its registration.

5. The Commission need not hold a hearing, if, after proper notice and opportunity to intervene, no party requests such a hearing. *State ex rel. Rex Deffenderfer Enterprises, Inc. v. Public Service Commission*, 776 S.W.2d 494 (Mo. App. W.D. 1989).
