

**BEFORE THE PUBLIC SERVICE COMMISSION
OF THE STATE OF MISSOURI**

In the Matter of Union Electric Company d/b/a)
Ameren Missouri’s Filing to Implement Regulatory) File No. EO-2012-0142
Changes in Furtherance of Energy Efficiency as)
Allowed by MEEIA)

**MISSOURI DIVISION OF ENERGY’S
RESPONSE TO CHANGE REQUESTS**

COMES NOW the Missouri Department of Economic Development –
Division of Energy¹ (“DE”) and, pursuant to the Commission’s *Order Establishing Partial
Procedural Schedule To Consider Change Requests (“Order”)*, submits its Response to the
Change Requests of Ameren Missouri and Staff of the Public Service Commission (“Staff”)
filed in the above-styled matter: DE supports Staff’s and Ameren’s *Nonunanimous
Stipulation and Agreement Settling the Program Year 2013 Change Requests (“Change
Requests Stipulation”)*

Staff and Ameren filed Change Requests on July 3. They filed the *Change Requests
Stipulation*, which resolves the conflicts between their respective Change Requests, on
September 19. Office of Public Counsel objected. According to the Commission’s rule for
non-unanimous stipulations, 4 CSR 240-2.115(D), Staff and Ameren now jointly hold the
position described in the *Change Requests Stipulation*. Staff’s and Ameren’s original
Change Requests, as filed, are no longer requested. No other party timely filed a Change
Request.

¹ Effective August 29, 2013, Executive Order 13-03 transferred “all authority, powers, duties, functions, records, personnel, property, contracts, budgets, matters pending, and other pertinent vestiges of the Division of Energy from the Missouri Department of Natural Resources to the Missouri Department of Economic Development”

DE, therefore, responds by stating its support for Staff's and Ameren's stipulated position, as a just and reasonable compromise of their Change Requests.

Respectfully submitted,

/s/ Jeremy Knee
