RE: The Empire District Electric Company d/b/a Liberty  
Case No. EO-2022-0078

Dear Judge Dippell:

Please find attached, in electric form, the following revised tariff sheets regarding Liberty's MEEIA Cycle 1 plan and its Demand-Side Investment Mechanism ("DSIM"):

PSC Mo No. 6	Section 4	3 <sup>rd</sup> Revised Sheet No. 21e; and
PSC Mo No. 6	Section 4	3 <sup>rd</sup> Revised Sheet No. 21f.

These sheets bear an issue date of May 1, 2023, and a requested effective date of July 1, 2023.

Revised sheet 21f trues up the DSIM rate to adjust for over-recovery in the past year (the first year of Liberty's DSIM). Liberty proposes to revise sheet 21e to require a DSIM rate update annually. This is in conformity with Commission Rule 20 CSR 4240-20.093(2)(J) and will align Liberty's DSIM true-up process with the other electric IOUs. Redlined tariff sheets and workpapers are being provided to all parties.

Please bring this tariff filing to the attention of the Commissioners and the appropriate Commission personnel, and please do not hesitate to contact me with any questions or concerns.

Sincerely,

*Diana Carter*
