On April 13, 2016, Staff filed a motion requesting the Commission cancel Simple Signal, Inc.'s, ("Simple Signal") registration to provide Interconnected Voice over Internet Protocol service ("IVoIP") in the State of Missouri. The Commission granted Simple Signal its IVoIP registration in the State of Missouri in File No. DA-2014-0017.

Staff states in its motion that on March 8, 2016, the company notified the Commission that it no longer wished to be registered as an IVoIP provider in Missouri.

On April 14, 2016, the Commission issued an Order Establishing Time to Respond allowing any parties to file an objection or request a hearing no later than April 25, 2016. No objections or requests for a hearing were filed.

The Commission need not hold a hearing, if, after proper notice and opportunity to intervene,¹ no party requests such a hearing.¹

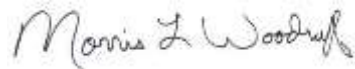

Based on Simple Signal's request and Staff's motion, the Commission finds that the IVoIP registration granted to Simple Signal, Inc. shall be canceled.
