**ORDER GRANTING MOTION FOR SECOND EXTENSION
OF TIME TO FILE STAFF REPORTS**

Issue Date: July 15, 2022

Effective Date: July 15, 2022

On April 15, 2022, Evergy Metro, Inc. d/b/a Evergy Missouri Metro (Evergy Metro) filed its 2021 Renewable Energy Standard (RES) Compliance Report and its 2022 Annual RES Standard Compliance Plan, as required by Commission Rule 20 CSR 4240-20.100(8). Additionally, Evergy Metro requested a variance from 20 CSR 4240-20.100(8)(A)1.I(V) regarding the provision of meter readings used in the calculation of payments to Renewable Credit Vendors. On April 18, the Commission issued its corrected order directing notice of filing, requiring Staff to review the RES compliance reports and plans, and file its report no later than Tuesday, May 31. On May 23, Staff filed its motion requesting 45 additional days to file its reports, stating that additional information was requested from Evergy Metro, and that additional time was required to review that information. The Commission granted that motion and required Staff to file its reports no later than Friday, July 15.

On July 14, Staff filed a motion for extension of time to August 5 to file its staff reports, stating that additional information had been received from Evergy Metro as

recently as July 1, and that more time would be required to prepare its staff reports. Staff indicated the other parties do not object to an additional extension of time.

The Commission will grant Staff's motion for an extension to file its reports and any objections to Evergy Metro's request for a variance, and will extend the period for the Office of the Public Counsel and other interested persons or entities to comment for the same period as well.

THE COMMISSION ORDERS THAT:

1. Staff shall file its reports regarding its review of Evergy Metro's RES compliance reports and plans, and any objections to Evergy Metro's request for a variance, no later than August 5, 2022.

2. The Office of the Public Counsel, or any other interested persons or entities wishing to comment on Evergy Metro's RES compliance reports and plans or any objections to Evergy Metro's request for a variance, shall do so no later than August 5, 2022.

3. This order shall be effective when issued.
