ORDER GRANTING APPLICATION TO INTERVENE

Issue Date: May 9, 2018

Effective Date: May 9, 2018

On February 22, 2018, Union Electric Company d/b/a Ameren Missouri filed an application and accompanying tariff sheets seeking approval of two new tariffed programs that are collectively referred to as the “Charge Ahead” program. The application also seeks approval of modifications to Ameren Missouri’s existing distribution system extension procedures, variances from portions of the Commission’s regulations regarding promotional practices, and a request for an accounting authority order (AAO) for the Charge Ahead program. The Empire District Electric Company (Empire) applied to intervene on April 24, 2018. More than ten days have passed since that application to intervene was filed and no one has responded to the application.

The Commission finds that allowing Empire to intervene will serve the public interest. Therefore, in accordance with Commission Rule 4 CSR 240-2.075(3), the Commission will grant the application to intervene.

THE COMMISSION ORDERS THAT:

1. The application to intervene of The Empire District Electric Company is granted.

2. This order shall be effective when issued.
