**NOTICE THAT TARIFF WILL BE ALLOWED TO GO INTO EFFECT**

Issue Date: April 18, 2018

Kansas City Power & Light Company (KCP&L) filed an application on February 27, 2018, asking the Commission to approve exemplar tariff provisions that would modify KCP&L's existing tariffs regarding estimated billing and budget billing. KCP&L subsequently filed those tariffs on March 16 with a May 7 effective date and filed substitute tariff sheets on March 29 and April 6. On March 30, the Commission's Staff filed a recommendation explaining that the tariff changes proposed by KCP&L are necessary to implement a new customer care and billing system that KCP&L anticipates implementing in May 2018. Staff advises the Commission to allow the tariff sheets to go into effect on their May 7 effective date.

On April 13, the Office of the Public Counsel filed a response to Staff's recommendation in which it indicates it does not oppose KCP&L's tariff as substituted by the company. KCP&L also filed a response to Staff's recommendation on April 13 in which it agrees with Staff that a May 7 effective date for the tariff is appropriate, but

explains that it might have to extend the effective date of the tariff if it must delay the implementation of its new customer care and billing system.

Given Staff's favorable recommendation and Public Counsel's decision not to oppose, the Commission will allow KCP&L's tariff to take effect on its proposed effective date.
