ORDER SUSPENDING TARIFF

Issue Date: December 17, 2019

Effective Date: December 17, 2019

On November 25, 2019, Union Electric Company d/b/a Ameren Missouri (Ameren Missouri) filed an Application for Approval to Expand Community Solar Pilot Program and Associated Tariff. The Commission directed notice of the application, and granted an application to intervene from Renew Missouri.

The Staff of the Commission (Staff) filed its Recommendation on December 12, 2019, in which it advised the Commission to suspend the tariff. Staff stated that it has sent data requests to Ameren Missouri that Ameren Missouri must still answer. Staff asks for a 90 day suspension of the tariff to allow time to complete discovery. Ameren Missouri and Renew Missouri responded on December 16, 2019, stating that they do not oppose Staff's request for a 90 day suspension.

The Commission finds Staff's request reasonable, and will grant it.
