RESPONSE TO ORDER DIRECTING FILING

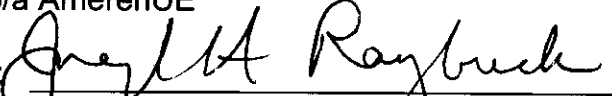

COMES NOW Union Electric Company ("Company") d/b/a AmerenUE, and for its Response to Order Directing Filing, states as follows:

1. In its Order Directing Filing dated June 13, 2003, effective June 23, 2003, the Missouri Public Service Commission ("Commission") entered its Order Directing Filing in the above matter requiring the Company to file a proposed amended tariff sheet as directed by the Commission's Order of May 1, 2003. In response, filed contemporaneous with this pleading is a separate transmittal letter with the amended tariff sheet to include the subject variance.

2. The Order Directing Filing also requires the Company to explain its failure to timely file said amended tariff sheets. In this regard, the Company sincerely regrets the oversight and apologizes for any inconvenience. The untimely filing is due, in part, to the failure of personnel who ordinarily oversee such filings to place an appropriate reminder on their calendar. The Company believes this is an isolated event not likely to again occur. Nonetheless, the Company is reviewing operating procedures to ensure Commission ordered filings are made in a timely fashion.

Respectfully submitted,

UNION ELECTRIC COMPANY,
d/b/a AmerenUE
