ORDER SHORTENING DEADLINE TO OBJECT TO INTERVENTION

Issue Date: September 11, 2007

Effective Date: September 11, 2007

On August 3, 2007, Kansas City Power & Light Company (“KCPL”) filed an application for waivers concerning certain of the Commission’s Electric Utility Resource Planning (“IRP”) reporting requirements, as set forth in Chapter 22 of the Commission’s Rules, for its August 2008 IRP submission.

On August 8, 2007 the Commission issued an order which, among other things, established August 28, 2007, as the deadline for interested parties to request intervention and set September 17, 2007, as the deadline for requesting a hearing in this case. On September 4, 2007, the Missouri Department of Natural Resources (“DNR”) filed an application to intervene and a motion to accept its application out of time. Because the deadline for parties to this case to request a hearing is rapidly approaching, the Commission shall shorten the time for filing objections to DNR’s intervention request.

IT IS ORDERED THAT:

1. Any party wishing to file an objection to the Missouri Department of Natural Resources’ intervention request shall do so no later than September 13, 2007.

2. This order shall become effective on September 11, 2007.
