ORDER ESTABLISHING TIME TO RESPOND

Issue Date: October 29, 2010

Effective Date: October 29, 2010

On October 29, 2010, Kansas City Power & Light Company and KCP&L Greater Missouri Operations Company filed a joint application asking the Commission to waive a provision of the Commission's renewable energy standards rule to allow the applicants to delay filing a standard offer contract for the purchase of solar renewable energy credits beyond the November 1 submission date specified in the rule.¹ The Applicants filed a motion for expedited treatment along with their application, asking the Commission to approve the application "as soon as possible."

KCP&L and KCPL-GMO did not file their application until 11:52 a.m. on the Friday before Monday, November 1. Obviously, there will not be a reasonable opportunity for any interested party to respond to the application before November 1. Therefore, the Commission will not be able to act on the application before the November 1 tariff submission date specified in the regulation. However, the Commission will consider the application expeditiously, while respecting the interests of any parties who may oppose the

¹ The specific rule provision the Applicants ask the Commission to waive is 4 CSR 20.100(4)(H)(2). By the terms of the regulation, an electric utility's decision to offer a standard offer contract is optional.

application. To that end, the Commission will establish a time in which any party wishing to respond to the application may do so.

THE COMMISSION ORDERS THAT:

1. Any party wishing to respond to the Joint Application of Kansas City Power & Light Company and KCP&L Greater Missouri Operations Company shall do so no later than November 18, 2010.

2. This order shall become effective immediately upon issuance.
