

energy alternatives and make recommendations for the expanded use of such alternate energy sources and technologies. In addition, § 393.1030.4 RSMo tasks DE with certifying renewable energy resources for purposes of compliance with Missouri's Renewable Energy Standard.

3. DE's interest in this matter is due to its statutory role pursuant to § 393.1030 RSMo in certifying renewable energy resources. The Compliance Report filed in this case will assist DE with its review of certified renewable energy resources, consistent with 10 CSR 140-8.010(4)(B). This statutory interest is different from that of the general public.

4. DE takes no position on the issues presented, and seeks intervention to serve the above interests.

5. Communications, correspondence, orders and decisions in this matter should be addressed to the undersigned.

WHEREFORE, the Division of Energy respectfully requests that it be allowed to intervene in the above-styled matter.

Respectfully submitted,

/s/ Jacob Westen
