Tariffs for Estimated Billing and Budget Billing)

STAFF’S MOTION FOR EXTENSION OF TIME

COMES NOW the Staff of the Missouri Public Service Commission (“Staff”), by and through the undersigned counsel, and for its Motion for Extension of Time in this matter hereby states:

1. On February 27, 2018, Kansas City Power & Light Company (“KCPL”) and Kansas City Power & Light Company Greater Missouri Operations (“GMO”) filed an application with the Commission to revise its tariff sheets that relate to budget billing and estimated billing. The tariff changes will be necessary to implement KCPL and GMO’s new Customer Care and Billing (“CCB”) system, which the Companies anticipate implementing in May 2018. The application outlined how the new billing procedures will function in detail and had revised exemplar tariff sheets attached, but the Companies did not file actual revised tariff sheets with effective dates in the case.

2. On February 28, 2018, the Commission issued its Order Directing Staff to File a Recommendation Regarding Application, in which the

Commission directed Staff to file a recommendation by March 23, 2018, and any party wishing to respond to Staff's recommendation to file such response by April 2, 2018.

3. The Companies subsequently filed actual revised tariff sheets on March 16, 2018, with an effective date of May 7, 2018.

4. Staff respectfully asks the Commission to grant it more time to examine the newly filed tariff sheets, and file its recommendation regarding those tariff sheets no later than March 30, 2018. Staff would also request the Commission extend the reply date for interested parties to April 6, 2018.

WHEREFORE, Staff prays that the Commission will grant this request for an extension to March 30, 2018 for Staff to file its recommendation and April 6, 2018 for all other parties to file responsive comments, and grant such other and further relief as the Commission considers just in the circumstances.

Respectfully submitted,

/s/ Nicole Mers
