NOTICE OF DEFICIENCY

Issue Date: January 19, 2022

On January 18, 2022, Co-Mo Electric Cooperative (Co-Mo) filed an application for approval of designated service boundaries within portions of Cooper County, Missouri. Commission Rule 20 CSR 4240-4.017 requires that an applicant file a notice at least 60 days before filing their application. That requirement can be waived by the Commission for good cause. Commission Rule 20 CSR 4240-4.017(D) provides that good cause for a waiver of the 60-day notice requirement may include “a verified declaration from the filing party that is has had no communication with the office of the commission within the prior one hundred fifty (150) days regarding any substantive issue likely to be in the case or that circumstances prevented filing the required notice and delaying the filing for sixty (60) days would cause harm.”

The Commission will not take action on Co-Mo’s Application until this deficiency is corrected.
