COMES NOW the Staff of the Missouri Public Service Commission, by and through undersigned counsel, and hereby requests a one week extension of time for the Staff to file its recommendation regarding the changes proposed by Kansas City Power & Light Company ("KCP&L") and KCP&L Greater Missouri Operations Company ("GMO") in its February 10, 2017 filing. In further support Staff states as follows:

1. On February 15, 2017 the Commission issued an order directing the Staff to file its recommendation no later than February 22, 2017 regarding what KCPL and GMO state are changes to its demand-side programs. The changes being proposed are changes to measures and measure ranges contained in the companies' Technical Resource Manual.

2. As a result of the press of simultaneous rate case proceedings, the Staff respectfully requests an extension of one week to March 1, 2017 to review the information provided by KCPL and GMO and to file its recommendation for both companies.

3. Staff also recommends that any party wishing to comment on the companies' filings be granted the same extension to March 1, 2017. Staff is aware of no reason why this extension should not be granted.

Respectfully submitted,
