ORDER GRANTING MOTION TO FILE CORRECTED TESTIMONY

Issue Date: December 14, 2020

Effective Date: December 14, 2020

On October 29, 2020, the Staff of the Commission filed direct testimony in this case for witnesses Brad J. Fortson and Brooke Mastrogiannis. After filing, Staff discovered an error in the direct testimony of both Mr. Fortson and Mrs. Mastrogiannis. The error, a statement that Staff did not recommend any disallowances in its Ninth Prudence Review Report for Evergy West, is the same for both witnesses. Staff requests leave to correct its testimony. Staff noted that this correction causes no prejudice to the parties in this matter because the corrections simply state what is in Staff's prudence review reports which are attached to Mr. Fortson's testimony.

Ten days have passed since the motion was filed and no objection has been received. Therefore, the Commission will grant the motion.

THE COMMISSION ORDERS THAT:

1. Staff's *Motion for Leave to File Corrected Direct Testimony of Staff Witnesses Brad J. Fortson and Brooke Mastrogiannis* is granted.
2. This order is effective when issued.
