**STAFF’S STATUS REPORT AND MOTION FOR AN EXTENSION OF TIME**

**COMES NOW** the Staff of the Missouri Public Service Commission, by and through counsel, and for its *Staff’s Status Report and Motion for an Extension of Time*, states as follows:

1. On August 23, 2021, Staff filed a Motion for Extension of Time in which Staff stated that it was Staff’s understanding that the joint applicants were in the process of working towards a mutually agreeable territorial agreement. In order to allow the joint applicants’ time to finish their agreement and make a filing with the Commission, Staff requested the Commission grant it an additional two weeks, up to and including September 7, 2021, to file either its recommendation or a status report.
2. At this time, the joint applicants have not filed a territorial agreement. Based on Staff’s review of the Application, and the discovery Staff has conducted in this case, Staff continues to recommend the joint applicants enter into a territorial agreement to clearly delineate their respective service areas.
3. To permit the joint applicants additional time to work towards a mutually agreeable territorial agreement, Staff requests an extension of thirty (30) days, up to and including October 7, 2021, to file its recommendation in this matter.

**WHEREFORE**, Staff submits its *Staff's Status Report and Motion for an Extension of Time* and requests the Commission issue an Order granting it.

Respectfully submitted,

**/s/ Jamie S. Myers**
