**MISSOURI DIVISION OF ENERGY’S
APPLICATION TO INTERVENE**

COMES NOW the Missouri Department of Economic Development –
Division of Energy¹ (“DE”) and, pursuant to Commission Rule 4 CSR 240-2.075 and to
facilitate access to confidential filings on EFIS, respectfully requests that the Commission
issue its order granting DE’s Application to Intervene. For its Application, DE states as
follows:

1. On April 15, 2014, KCP&L Greater Missouri Operations Company
 (“GMO”) filed its 2013 Annual Renewable Energy Standard Compliance Report, as
required by 4 CSR 240-20.100. On the same date, GMO also filed a Request for Waiver
of Commission Rule 4 CSR 240-20.100(7)(A)1.I(V). The Commission opened Case No.
EO-2014-0290 and on April 16, 2014 directed that notice be provided and that Staff file a
report of its review no later than May 30, 2014. In the same order, the Commission also
announced that any interested persons or entities may file comments on the Compliance
Report no later than May 30, 2014.

¹ Executive Order 13-03 transferred the Division of Energy from the Department of Natural Resources to the
Department of Economic Development on August 29, 2013. The Executive Order transferred “all authority, powers,
duties, functions, records, personnel, property, contracts, budgets, matters pending, and other pertinent vestiges of
the Division of Energy from the Missouri Department of Natural Resources to the Missouri Department of
Economic Development....”

2. DE is a state agency vested with the powers and duties set forth in § 640.150 RSMo. In addition, § 393.1030.4 RSMo tasks DE with certifying renewable energy resources for purposes of compliance with Missouri's Renewable Energy Standard.

3. DE has an interest different than that of the general public, and its intervention will serve a public interest in that DE will look at the Compliance Report from a formal policy and planning perspective, with a specific interest in encouraging renewable energy sources.

4. DE is uncertain at this time of the specific position it will take in this case.
