File No. DD-2023-

MOTION TO CANCEL REGISTRATION

COMES NOW the Staff of the Missouri Public Service Commission (Staff) and moves for the Missouri Public Service Commission (Commission) to cancel the certificate of service authority to provide basic local exchange and non-switched local exchange telecommunications services and the registration to provide interconnected voice over internet protocol (IVoIP) services of RTC Solutions, Inc., (Company) and states:

1. The Commission previously granted certificates of service authority to provide basic local exchange and non-switched local exchange telecommunications services in Case No. CA-2021-0385. The Commission previously granted a registration to the Company to provide interconnected voice over internet protocol service authority in Case No. DA-2021-0386 on May 21, 2021.

2. The Company failed to submit an annual report to the Missouri Commission for calendar year 2021. The requirement of a telecommunications company to file an annual report is identified in Sections 392.210 and 392.390, RSMo, and an IVoIP company in 392.550.3(7), RSMo, and 20 CSR 4240-28.012(1)(A). The Company has not responded to Staff's contacts to resolve the deficiency.

3. The Commission has the authority to cancel a telecommunications certificate, or in the present case, registration, pursuant to Section 392.410.5 RSMo 2000, which provides "[a]ny certificate of service authority may be altered or modified by

the commission after notice and hearing, upon its own motion or upon application of the person or company affected.”

4. The Commission need not hold a hearing, if, after proper notice and opportunity to intervene, no party requests such a hearing. *State ex rel. Rex Deffenderfer Enterprises, Inc. v. Public Service Commission*, 776 S.W.2d 494 (Mo. App. W.D. 1989).

WHEREFORE, Staff respectfully recommends the Commission cancel the certificates of service authority to provide basic local exchange and non-switched local exchange telecommunications services and the registration of service authority to provide interconnected voice over internet protocol service of RTC Solutions, Inc., and grant such other and further relief as is just in the circumstances.

Respectfully submitted,

/s/ Whitney Scurlock
