ORDER DIRECTING RESPONSES REGARDING LOCAL PUBLIC HEARINGS

Issue Date: June 11, 2021

Effective Date: June 11, 2021

The Commission established a procedural schedule for this case in an order issued on June 9, 2021. That order indicated local public hearings would be held in October 2021, but did not establish any details about those hearings, indicating instead the local public hearing schedule would be established in a subsequent order. Before issuing such an order, the Commission will give the parties an opportunity to offer suggestions about the local public hearing schedule. In addition, the Commission will direct Staff to consult with the other parties and to file proposed language to be included in the notice sent to customers about the local public hearings.

THE COMMISSION ORDERS THAT:

1. No later than June 21, 2021, any party wishing to do so may offer suggestions regarding when and where local public hearings should be held. The parties may also offer suggestions on whether such hearings should be virtual or in person.

2. No later than June 28, 2021, Staff shall file proposed language to be included in the notice sent to customers about the local public hearings.

3. This order shall be effective when issued.

Morris L. Woodruff, Chief Regulatory Law Judge, by delegation of authority pursuant to Section 386.240, RSMo 2016.
