

APPENDIX FGA

This Appendix to Attachment 12: Compensation sets forth the terms and conditions under which the Parties will distribute revenue from the joint provision of Feature Group A (FGA) Switched Access Services.

These services will be provided within a Local Access and Transport Area (LATA) and/or an Extended Area Service (EAS) arrangement. The Primary Company will compensate the Secondary Company only to the extent that it has not already been compensated under its interstate or intrastate access service tariffs or other settlement/contract arrangements. This Appendix is subject to applicable tariffs.

1.0 Definitions

- 1.1 **Local Access and Transport Area (LATA)** means a pre-established geographic area encompassing one or more local exchange areas within which a Party may provide telecommunications services.
- 1.2 The term **Extended Area Service (EAS)** as used in this Appendix means the provision of message telephone exchange service between two or more local exchange service areas without a toll charge.
- 1.3 **Subscriber Access Lines** will mean a communication facility provided under a general and/or exchange service tariff extended from a customer premise to a central office switch which may be used to make and receive exchange service calls, intrastate toll service or interstate toll service calls.
- 1.4 **Feature Group A Switched Access Service** includes all facilities and services rendered in furnishing FGA access service, both in EAS and non-EAS (i.e., LATA wide terminations) areas, in accordance with the schedule or charges, regulations, terms and conditions stated in the interstate or intrastate access service tariffs of the Parties.
- 1.5 The **Primary Company** denotes the Party with the Primary office(s).
- 1.6 The **Primary Office** is an office which: (1) directly or jointly connects to an interexchange carrier and /or end user: and (2) provides joint FGA switched access service to that interexchange carrier and/or end user with other end offices.
- 1.7 The **Secondary Company** denotes the Party with the secondary office(s).
- 1.8 The **Secondary Office** is any office involved in providing joint FGA switched access to an Interexchange carrier and /or end user through the switching facilities of the Primary office.

- 1.9 Revenues under this Appendix are those FGA Switched Access amounts due the Primary and Secondary Companies under their applicable tariffs, less uncollectible revenues. Revenues for any other services are not included. Uncollectible revenues are those revenues the Primary Company is unable to collect, using its regular established collection procedures. The Primary Company may offset uncollectibles against current revenue distribution.
- 1.10 **Access Minutes or Minutes of Use (MOUs)** are those minutes of use as described in Part 69 of the Federal Communications Commission's Rules, and are limited to those FGA MOUs which originate and /or terminate in the Secondary Office(s) covered by this Appendix.
- 1.11 Currently **Effective Tariff Rate** means the approved tariff rate effective on the first day of the month for which compensation is being calculated.

2.0 Undertaking of the Parties

- 2.1 The Secondary Company will notify the Primary Company of all tariff rate revisions, affecting this Appendix which the FCC or other appropriate regulatory authority allows to take effect, at least 30 days in advance of their effective date. Revenue distribution will be based on the revised rates 45 days after the effective date of the tariff revisions. However, if the secondary Company fails to notify the Primary Company of a new rate within 30 days of its effective date, the Primary Company may delay implementation of the new rate until the next months revenue distribution cycle, and will not be required to adjust the previous bills retroactively.
- 2.2 Each Party will furnish to the other such information as may reasonably be required for the administration, computation and distribution of revenue, or otherwise to execute the provisions of this Appendix.

3.0 Administration of Revenue Distribution

The Primary Company will be responsible for the administration, computation and distribution of the FGA access service revenues collected on behalf of the Secondary Company.

4.0 Minutes of Use (MOUs) Development

- 4.1 The Parties will calculate the amount of FGA revenues due each Party, by determining the amount of FGA MOUs attributable to each Party as described below. The Primary Company will then multiply the MOUs by the rates in the Secondary Company's applicable tariff to determine the amounts tentatively due to the Secondary Company.

4.2 Terminating MOUs Development

- 4.2.1 Actual monthly premium (charged at equal access end office) and non-premium (charged at non-equal access end offices) terminating FGA access MOUs for each office in the LATA or a FGA access EAS area will be measured by the Primary Company.
- 4.2.2 Where the Primary Company cannot measure or identify the terminating FGA MOUs by end office, terminating MOUs will be total unmeasured MOUs allocated to the LATA. In this event, those MOUs will be distributed based upon the ratio of each Party's subscriber access lines, as identified in Exhibit B, which is attached hereto and made a part hereof, to the total subscriber access lines in the FGA access area as determined by the Primary Company.

4.3 Originating MOUs Development

- 4.3.1 The Primary Company will derive and distribute monthly originating FGA access MOUs, billed by the Primary Company, to each Secondary Company's end office in the EAS calling area, as identified in Exhibit A, which is attached hereto and made a part hereof, based upon a ration of each Party's subscriber access lines to the total subscriber access lines in the appropriate EAS area as determined by the Primary Company.
- 4.3.2 The parties recognize that since originating non-EAS calls to the FGA service area are rated and billed as intraLATA toll, such usage is assumed to be minimal. Therefore, originating FGA access MOUs will not be distributed to end offices outside an EAS calling area.

5.0 Calculation of Revenue Distribution

- 5.1 The amount of premium or non-premium revenues due each party each month will be equal to the sum of Originating and Terminating premium or non-premium revenue for each end office. These revenues will be calculated by the Primary Company by multiplying each of the Secondary Company's effective interstate and/or intrastate FGA switched access tariff rate elements (except the Local Transport element described below) by the appropriate MOU calculation under Sections 4.2.1 and 4.2.2.
- 5.2 Local Transport (or its equivalent under the Secondary Company's tariff and called Transport in this agreement) compensation will be determined for each company by multiplying each of the Secondary Company's Transport rates by the appropriate MOUs (as calculated under Sections 4.2.1 and 4.2.2) by the Secondary Company's percentage ownership of facilities agreed on by the Parties and set out in Exhibit B, which is attached hereto and made a part hereof.

6.0 Revenue Distribution Amounts, Monthly Statements And Payments

- 6.1 The Primary Company each month will calculate and prepare a monthly compensation statement reflecting the revenue distribution amounts for FGA, both EAS and non-EAS, access service due the Secondary Company.
- 6.2 The monthly compensation statement will show, for each Secondary Office, separately:
 - 6.2.1 The total number of non-premium or premium terminating MOUs and revenue.
 - 6.2.2 The total number on non-premium or premium originating MOUs and revenues.
 - 6.2.3 The total compensation due the Secondary Company, by rate element.
 - 6.2.4 The number of terminating MOUs recorded by the Primary Company.
 - 6.2.5 The number of originating MOUs estimated by the Primary Company pursuant to Section 4.3.1.
 - 6.2.6 The number of access lines used to prorate originating usage pursuant to Section 4.2.1 and 4.2.2.
 - 6.2.7 The percent ownership factor, if any, used to prorate Local Transport revenues.
 - 6.2.8 Adjustments for uncollectibles.
- 6.3 Within 60 Calendar days after the end of each billing period, the Primary Company will remit the compensation amount due the Secondary Company. Where more than one compensation amount is due, they may be combined into a single payment.

7.0 Miscellaneous Provisions

- 7.1 This Appendix will remain in effect until terminated by thirty (30) calendar days notice by either Party to the other.

ATTACHMENT 22: DA-FACILITIES BASED
SWBT-PROVIDED DIRECTORY ASSISTANCE

This Attachment 22: DA-Facilities Based sets forth the terms and conditions under which SWBT agrees to provide Directory Assistance (DA) for CLEC as a facilities based switch provider.

1.0 Services

- 1.1 DA consists of providing subscriber listing information (name, address, and published or non-list telephone number or an indication of non-published status) to CLEC's customers who call DA according to current SWBT methods and practices or as subsequently modified.
- 1.2 Directory Assistance Call Completion (DACC) service consists of SWBT completing a call to the requested number on behalf of CLEC's end user, utilizing the Interactive Voice System (IVS) or having the operator complete the call. SWBT will provide DACC to CLEC's customers for local, intrastate IntraLATA and, if available, interstate IntraLATA calls.
- 1.3 SWBT agrees to provide DACC only in areas where CLEC can furnish Automatic Number Identification (ANI) from CLEC's customers to SWBT's switch and where CLEC obtains DA service from SWBT.
- 1.3.1 Subsequent to the DA query and release of the DA call to SWBT's Interactive Voice System, SWBT will deliver the call with the required signaling and data to CLEC to complete the call.
- 1.4 CLEC commits that SWBT's provision of DACC does not interfere with any contractual arrangement that CLEC has with another operator services provider. CLEC agrees to indemnify SWBT from any and all causes of action which may be brought by an alternate operator services provider based on allegations that SWBT has interfered with any such contractual arrangement solely by virtue of SWBT's provision of DACC to CLEC under this Attachment.
- 1.5 When CLEC uses Directory Assistance Services described above, SWBT will charge the prices as referenced in Section 7.0 Pricing of Attachment DA-Fac.

2.0 Definitions - The following terms are defined as set forth below:

- 2.1 **Non-List Number** - A telephone number that, at the request of the telephone subscriber, is not published in a telephone directory, but is available by calling a SWBT DA Operator.

- 2.2 **Non-Published Number** - A telephone number that, at the request of the telephone subscriber, is neither published in a telephone directory nor provided by a SWBT DA Operator.
- 2.3 **Published Number** - A telephone number that is published in a telephone directory and is available upon request by calling a SWBT DA Operator.
- 2.4 **IntraLATA Home NPA (HNPA)** - Where a LATA is comprised of one area code or Numbering Plan Area (NPA).
- 2.5 **IntraLATA Foreign NPA (FNPA)** - Where a single LATA includes two Numbering Plan Areas (NPAs). FNPA DA calls may be classified as interstate IntraLATA or intrastate IntraLATA DA calls.

3.0 Call Branding and Rate Reference

3.1 Call Branding

- 3.1.1 The process by which an Operator, either live or recorded, will identify the DA provider as being CLEC. SWBT will offer Call Branding of DA in the name of CLEC.
- 3.1.2 CLEC will provide SWBT with the specific branding phrase to be used to identify CLEC. The standard phrase will be consistent with the general form and content currently used by the Parties in branding their respective services.
- 3.1.3 SWBT will brand Directory Assistance in the name of CLEC starting not later than thirty (30) days after the Effective Date of the Agreement and will complete implementation of this process in all SWBT Directory Assistance platforms not later than five (5) months after the Effective Date of the Agreement. In the interim, SWBT will, if allowed by federal and state law and regulatory rules, unbrand competitive LEC directory assistance calls that are branded by live operators. CLEC will not request interim unbranding of Directory Assistance for calls that are branded by automated systems until such time as SWBT's operator services platforms are capable of re-branding. The schedule is dependent upon the ability of SWBT's vendor to meet its current commitment; however, SWBT will use its best efforts to manage the vendor to meet said date.
- 3.1.4 An initial non-recurring charge will apply for loading CLEC's Directory Assistance Call Branding Announcement as well as a charge for each subsequent change to CLEC's Directory Assistance Call Branding Announcement as provided in Section 7.0 Pricing of Attachment 22 DA-Fac.

3.2 Rate Reference

- 3.2.1 SWBT Directory Assistance operators will provide Directory Assistance Rate Information upon request to CLEC's end users as required by Section 226(b)(1)(C) of the Act. Rate Reference information will be provided under the following terms and conditions:
- 3.2.2 CLEC will furnish Rate Reference information in a mutually agreed to format or media thirty (30) days in advance of the initial date when they are to be provided by SWBT. If CLEC does not provide the Rate information and branding phrase as required in this Section, SWBT will brand the DA service provided to CLEC as SWBT DA service and quote SWBT rates. SWBT will no longer brand these calls as SWBT calls nor quote SWBT rates when the appropriate equipment or software is installed.
- 3.2.3 CLEC will inform SWBT, in writing, of any changes to be made to such Rate Reference Information ten (10) working days prior to the effective rate change date. CLEC acknowledges that it is responsible to provide SWBT updated Rate information in advance of when the Rates are to become effective.
- 3.2.4 In all cases when SWBT receives a rate request from an CLEC end user, SWBT will quote the Directory Assistance rates provided by CLEC, except as provided in section 3.2.2.
- 3.2.5 An initial non-recurring charge will apply for loading CLEC's Directory Assistance Rate information as well as a charge for each subsequent change to CLEC's Directory Assistance Reference information as provided in Section 7.0 Pricing of Attachment DA-Fac.

4.0 Responsibilities of SWBT

- 4.1 SWBT will perform DA Service for CLEC in those exchanges where CLEC elects to purchase such services from SWBT.
- 4.2 SWBT will provide and maintain its own equipment to furnish DA Services.
- 4.3 SWBT will provide DA Service to CLEC customers using current and updated DA records and in accordance with SWBT's current methods, practices, and procedures or as subsequently modified.
- 4.4 SWBT will provide IntraLATA HNPA DA Service and intrastate IntraLATA FNPA DA Service to Customers who dial 1+411 or 1+NPA+555+1212.
- 4.5 SWBT will include current CLEC customer listing information in SWBT's DA database.
- 4.6 SWBT will forward with Directory Assistance calls from CLEC customers the appropriate line data required by CLEC to identify the type of line for the purposes of call handling and recording.

5.0 Responsibilities of Both Parties

- 5.1 The Party(ies) that provide the circuits between CLEC and SWBT offices will make such circuits available for use in connection with the DA services covered herein. When the total traffic exceeds the capacity of the existing circuits, the Party(ies) will provide additional circuits, to the extent necessary.
- 5.2 The parties agree that, in the event of an emergency wherein a CLEC customer must reach a non-CLEC customer that has a non-published telephone number, the CLEC operator will contact SWBT's operator and request the assistance of a supervisor to the extent done by SWBT's operators.

6.0 Responsibilities of CLEC

- 6.1 CLEC will be responsible for providing and maintaining the equipment necessary for routing calls and signals to the SWBT serving office and also such equipment as may be necessary to record call volumes from the CLEC serving office, in a mutually agreed upon format and media.
- 6.2 CLEC will furnish to SWBT, thirty (30) days in advance of the date when the DA services are to be undertaken, all end user records and information required by SWBT to provide the service.
- 6.3 CLEC will update end user directory assistance listing information using reporting forms and procedures that are mutually acceptable to both Parties. CLEC will send the DA records to SWBT via a local manual service order, T-TRAN, magnetic tape or by any other mutually agreed to format or media.
- 6.4 When CLEC desires to customize route Directory Assistance and such routing capability is not currently technically available, CLEC agrees that SWBT will be the sole provider of such services for each end office, where such services are provided, until customized routing has been available for three months. In this event, such services will be provided until the Parties mutually agree on a conversion date for the customized routing of such calls. Where customized routing has been available for three months in an end office, and CLEC chooses not to customize route the DA calls, CLEC agrees that SWBT will be the sole provider of DA for one year from the effective date listed in this Attachment.

7.0 Pricing

7.1 The charges for Directory Assistance are as follows:

7.1.1 A charge per DA call: \$0.3700

7.1.2 Directory Assistance Call Completion (DACC)

Rate per completed call: \$0.1500

7.2 Intentionally left blank

7.3 Pricing for branding of CLEC DA calls are as follows:

Call Branding

Rate per initial load/change per TOPS switch per brand \$3,000.00

Rate per branded call: \$0.0250

7.3.1 In the event that the phraseology for branding DA calls is the same phraseology for branding OS calls, only one charge will apply per initial loading or subsequent change.

7.4 A charge for loading CLEC specific DA rates will apply for initial loads and subsequent changes as follows:

7.4.1 Rate for initial rate load per switch \$2,200.00

7.4.2 Rate per subsequent rate change: \$1,000.00

8.0 Monthly Billing

8.1 SWBT will render monthly billing statements to CLEC for DA Service, and remittance in full will be due within thirty (30) days of receipt.

9.0 Liability

9.1 Indemnification and limitation of liability of provisions covering the matters addressed in this Appendix are contained in the General Terms and Conditions portion of the Agreement.
