1	JUDGE DIPPELL: Okay. Now we'll
2	officially go on the record then. This is File Number
3	EO-2020-0262 and File Number EO-2020-0263 in the
4	matter of the third prudence review of costs subject
5	to the Commission-approved fuel adjustment clause of
6	Evergy Missouri West, Incorporated and Evergy
7	Missouri or Evergy Metro, Incorporated.
8	My name's Nancy Dippell. I'm the
9	Regulatory Law Judge assigned to this matter. And we
10	are meeting today with the procedural conference to
11	discuss the hearing and anything else, let the parties
12	discuss settlement and so forth.
13	And having a little bit of technical or
14	other issues this morning and so our court reporter
15	has joined us late. We have on this is a video and
16	telephone conference and we have on the phone and
17	present with us Jeff Keevil and Travis Pringle for the
18	Missouri Public Service Commission staff. We have
19	John Clizer for the Office of the Public Counsel. We
20	have Roger Steiner and Josh Harden for Evergy. And we
21	have Henry Robertson for the Sierra Club.
22	And there were other parties that were
23	automatically made parties to this conference by way
24	of the rule automatically making them parties. Those
25	parties some of those parties did not have e-mail

Г

1	addresses on file and did not receive an e-mail with
2	this meet meeting information on it, but they did
3	receive should have received the paper copy telling
4	them that they needed to get me an e-mail if they
5	wanted to participate.
6	So if anyone hears from those parties
7	that they had wanted to participate but did not
8	understand that, please have them make a filing
9	letting me know if they have issues with the
10	procedural schedule that eventually comes out of this.
11	So what we talked about before our court
12	reporter got here was whether or not these cases
13	needed to be consolidated. There's a request for
14	consolidation. And basically I think everyone is in
15	agreement from the parties' perspective it doesn't
16	really matter, other than the electronic filings it
17	sometimes gets confusing to have two separate cases.
18	Filing the evidence is likely to be
19	slightly different, there are slightly different
20	issues for Metro than for West, but as long as the
21	parties can make it clear which part of the
22	evidence which company part of the company the
23	evidence is pertaining to so that I could keep that
24	straight for the Commission, then there's no reason
25	not to consolidate them.

1 And I lost Mr. Pringle, who is back. So 2 sometimes technical issues may occur during these conferences. 3 Is there anything else that we talked 4 about when we were off the record that we need to put 5 on the record? Did I miss anything? Not seeing 6 7 anybody. Okay. 8 MR. KEEVIL: Do you plan to issue an order consolidating, Judge? 9 JUDGE DIPPELL: I will before your next 10 filings so that you'll only have to submit it to 11 12 one -- one file. Okay. We're having some more technical 13 14 issues. I'm losing people. Maybe it's on my end. MR. PRINGLE: I can still hear 15 everything, in case my video goes out again. 16 17 MR. STEINER: I'm hearing. 18 JUDGE DIPPELL: Okay. All right. Is there any -- are there any other issues that need to 19 20 be addressed on the record from Staff? MR. PRINGLE: Nothing further. 21 22 JUDGE DIPPELL: Okay. Anything from 23 Office of the Public Counsel? 24 MR. CLIZER: (Inaudible.) 25 THE COURT REPORTER: I'm sorry,

> TIGER COURT REPORTING, LLC WWW.TIGERCR.COM 573.999.2662

Mr. Clizer. I couldn't understand anything that you 1 2 just said. I'm sorry. JUDGE DIPPELL: Yeah. You were breaking 3 4 up, Mr. Clizer. Can you try that again? 5 MR. CLIZER: Sure thing. I also wanted to check if I was coming in clear. Do I come in clear 6 over here? 7 JUDGE DIPPELL: There's a little bit of 8 background noise. Would everyone that is not speaking 9 be sure and mute your phones? 10 Try it again, Mr. Clizer. Okay. 11 12 Definitely -- hang on just a sec. MR. CLIZER: I seem to be able to have 13 much better reception if I walk to the end of my 14 property. Am I clearer now? 15 16 JUDGE DIPPELL: You are. Go ahead. MR. CLIZER: Okay. Well, it's a little 17 bit difficult, but at any rate, I'm operating under 18 the assumption that we'll be able to resolve 19 procedural issue off the record. So with that, I have 20 nothing that would need to be on the record. 21 2.2 JUDGE DIPPELL: Okay. Thank you. What 23 about the company, Mr. Steiner? 24 MR. STEINER: Nothing more needs to be on 25 the record, Judge. Thank you.

> TIGER COURT REPORTING, LLC WWW.TIGERCR.COM 573.999.2662

JUDGE DIPPELL: Okay. And I assume, Mr. Harden, he speaks for you as well? MR. HARDEN: Indeed he does. JUDGE DIPPELL: Okay. And Mr. Robertson, do you have something else that needs to be on the record? MR. ROBERTSON: No. I just wanted to ask for one qualification to the schedule, which is if that sur-surrebuttal line ought to read "if 10 necessary." JUDGE DIPPELL: Okay. MR. STEINER: Henry, I don't think the Judge has seen the schedule yet, so I just submitted it internally. MR. KEEVIL: We haven't agreed to anything on the schedule yet, so that would be a little premature, I think. MR. ROBERTSON: Okay. JUDGE DIPPELL: All right. All right then. Anything else before we go off the record? When we go off the record, what I will do is turn the controls over to Mr. Pringle, if that's okay? And he's nodding yes. And I will then leave the conference and I won't be able to hear anything that 24 25 goes on and the court reporter will drop off also. So
