**KANSAS CITY POWER & LIGHT COMPANY’S AND  
KCP&L GREATER MISSOURI OPERATIONS COMPANY’S  
MOTION FOR EXPEDITED TREATMENT**

COMES NOW Kansas City Power & Light Company and KCP&L Greater Missouri Operations Company<sup>1</sup> (collectively "the Company"), and, for their *Motion for Expedited Treatment* (“Motion”) pursuant to 20 CSR 4240-2.080(14), state as follows:

1. On December 11, 2019, the Missouri Public Service Commission (“Commission”) issued its *Report and Order* in the above-captioned dockets directing the Company to file compliance tariffs no later than December 16, 2019.

2. On December 16, 2019, the Company filed compliance tariffs bearing an effective date of January 1, 2020 (Tracking Nos. YE-2020-0100; YE-2020-0101; JE-2020-0102; and YE-2020-0103).

3. On December 17, 2019, the Commission issued its *Order Directing Filing*, wherein the Commission directed the Company to file substitute compliance tariffs bearing an effective date of January 15, 2020, pursuant to Section 393.140(11) RSMo. In addition, the *Order Directing*

---

<sup>1</sup> Effective October 7, 2019, Evergy Metro Inc. d/b/a Evergy Missouri Metro adopted the service territory and tariffs of KCP&L and Evergy Missouri West, Inc. d/b/a Evergy Missouri West adopted the service territory and tariffs of GMO. However, since the above MEEIA cases were filed using the KCP&L and GMO names, those names will be used in this pleading.

*Filing* also directed the Company to file a Motion for Expedited Consideration if the Company required an effective date earlier than January 15, 2020.

4. Good cause exists for a January 1, 2020 tariff effective date. A January 1 effective date will ensure that there is no gap in the Company's MEEIA programs (MEEIA 2 programs will end on December 31, 2019). A disruption in the programs can produce customer confusion and lead to customer frustration. In addition, starting MEEIA cycle 3 in the middle of the month will mean that the three-year programs will not cease at the end of a calendar year and this can potentially lead to future billing issues.

5. There will be no negative effect on the Company's customers or the general public if the Commission grants this Motion.

6. This Motion was filed as soon as it could have been under the circumstances.

WHEREFORE, for the foregoing reasons and for good cause shown, the Company respectfully requests the Commission grants this Motion with expedited consideration.

Respectfully submitted,

*/s/ Roger W. Steiner*
