**ORDER GRANTING MOTION TO CONSOLIDATE**

Issue Date: April 3, 2012

Effective Date: April 3, 2012

On March 21, 2012, the Commission’s Staff filed a Motion to Dismiss, or in the Alternative, Motion to Consolidate. Staff wants the Commission to dismiss the pending case for several reasons or, in the alternative, consolidate this case with Kansas City Power & Light’s pending rate case, File No. ER-2012-0174.

Commission Rule 4 CSR 240-2.080(13) allows ten days for parties to respond to motions unless otherwise ordered by the Commission. The Commission issued no order to the contrary. Within the allotted ten days, the Office of the Public Counsel stated it supported Staff’s motion to dismiss and, in the alternative, Staff’s motion to consolidate. KCP&L stated it opposes the motion to dismiss, but supports the motion to consolidate

Due to the lack of any objection to the motion to consolidate, the Commission finds that motion reasonable, and will grant it.

**THE COMMISSION ORDERS THAT:**

1. The Motion to Dismiss is denied.

2. The Motion to Consolidate is granted, and this case shall be consolidated into File No. ER-2012-0174.

3. This case shall be closed on April 3, 2012.

4. This order shall become effective upon issuance.
