Date: **Wednesday, March 2, 2016**

Time: **11:15 to 12:05 p.m.**

Missouri Public Service Commission: Commissioner Steve Stoll, Mark Hughes, and Shelley Brueggemann

Attended All Sessions:

Ameren Missouri: Vice President External Affairs and Communications Warren Wood, Director Regulatory Affairs Tom Byrne, Senior Corporate Counsel Matt Tomc, and Manager Regulatory Affairs Gaye Suggett.

Kansas City Power & Light: Vice President Regulatory Affairs Darrin Ives, Lead Regulatory Counsel Rob Hack, and Director Regulatory Affairs Matt Dority

Empire: Director of Governmental Affairs Elizabeth Dumm

Noranda: Chris Roepe

Missouri Energy Delivery Association: Trey Davis

Office of the Public Counsel: James Owen

Warren Wood started the meetings by discussing how the legislation being considered in this session came about. He discussed the aluminum market collapsing and Noranda comprising 10% of Ameren Missouri's load. He said Ameren Missouri and Noranda came together to find a path forward to potentially bring the Noranda Smelter back to full operation while benefitting other customers.

Chris Roepe discussed Noranda's situation and the need to move ahead with a legislative approach that would benefit all customers.

The attendees then engaged in a discussion on the different elements of legislation being considered and generally how this regulatory framework would operate. Several attendees asked questions and expressed concerns which prompted discussions on how the different elements in the legislation would operate and potential changes to the bill to address concerns expressed.

A summary of the discussion points is attached.

Respectfully Submitted,
