ORDER SETTING TIME FOR OBJECTIONS

Issue Date: December 18, 2020

Effective Date: December 18, 2020

This case concerns the ninth fuel adjustment clause (FAC) prudence review for Evergy Missouri West, Inc. d/b/a Every Missouri West and Evergy Missouri Metro, Inc. d/b/a Evergy Missouri Metro (collectively “Evergy”). On October 21, 2020, the Commission set a procedural schedule, including dates for an evidentiary hearing. On December 18, 2020, Evergy, the Staff of the Commission, and the Office of the Public Counsel filed a *Partial Stipulation and Agreement*.

Commission Rule 20 CSR 4240-2.115(2)(B)-(C) states that parties have seven days after the filing of a nonunanimous stipulation and agreement to file objections. Failure to file a timely objection constitutes a waiver of that party’s right to a hearing and the agreement may be treated as unanimous. Because the seven-day deadline falls on a state holiday, the Commission will extend the time for filing objections until the next business day. The deadline for objections is set out below.

THE COMMISSION ORDERS THAT:

1. Any objection to the *Partial Stipulation and Agreement* shall be filed no later than December 28, 2020.
2. This order shall be effective when issued.
