THIRD ORDER EXTENDING DEADLINE

Issue Date: June 11, 2021

Effective Date: June 11, 2021

On March 22, 2021,¹ the Commission ordered the Commission's Staff (Staff) to file a recommendation no later than May 6. The Commission extended the deadline to May 27 to accommodate pending discovery and then to June 11 to allow time for negotiations between Barrel 53 Cooperage and Howard Electric Cooperative. On June 10, Staff filed a Third Motion for Extension of Time to File Report asking that the Commission extend Staff's report deadline to June 18, stating that Barrel 53 and Howard Electric have not reached an agreement through negotiations but that discussions continue. Staff states it has inquired of their respective counsel whether Ameren Missouri, Barrel 53, or Howard Electric oppose the request. Staff indicates Ameren Missouri's counsel does not oppose the request, but counsel for Barrel 53 and Howard Electric have not replied to inquiries about the deadline extension. The Commission will grant the request.

3. This Order shall become effective when issued.
